

Assignment #4 – FDA AI/ML-enabled Medical Devices

The Food and Drug Administration (FDA) oversees the approval of AI/ML-enabled medical devices. Figures 1 and 2 illustrate the annual growth and distribution of these devices across categories.

Given your understanding of AI technologies, could you share your insights on the following questions?

1. From Figure 1, what data trend do you observe in the growth of AI/ML-enabled medical devices? What factors have contributed to this trend?
2. From Figure 2, what data pattern do you see in the concentration of AI/ML-enabled medical devices? What factors explain this pattern?

Please limit your response to one page.
